## Welcome to Country

Welcome to Adnyamathanha country  
here at Ikara (Wilpena Pound).

Adnyamathanha people have always been here and  
their strong presence is still here.

Our strong physical and spiritual connection to this place and throughout  
the Northern Flinders Ranges remains entrenched in our hearts and minds.

We Respect our Elders past and present and recognise our Youth who are  
our future leaders and custodians of our stories, language and culture.

In the spirit of reconciliation we welcome and acknowledge the non-Aboriginal  
people who walk, work, live, visit, sit, stand and enjoy our land.

We trust your time here on our Yarta will be enriched with the  
spirit of the land and our people.
