**kate\_miles\_** This is what I would call glamping! Such a treat to sit here and take in the view after a day of hiking on the Three Capes Track. What is your favourite way to unwind after a day of being on the trail? [#threecapestrack](#)

I am 10, but I love wilderness. I feel  
like this hut came out of a dream. It's  
a lovely walk, and I am looking forward  
to ~~finish~~ get going again and meeting  
more people. One of my favourite moments  
of the day is just coming in sight  
of the hut, and it's really relaxing and  
exhilarating. I am ~~the~~ <sup>one of the</sup> first people  
on this track! :j Abira D
